  - Police
  - Fences
  - Education
  - Clean alleys
- Decide which alleys to focus on during The Big Day of Serving
  - The group decided they were in agreement with the approach proposed by the Built Environment group – to identify one alley by each of the four schools in the neighborhood: Castro, Kepner, Knapp, and Munroe
  - Action teams were identified, which will be joined together with the built environment group. Norma will focus on Castro and Munroe. Reyna will focus on Kepner and Knapp.
    1. Castro – ?
    2. Kepner – ?
    3. Knapp – ?
    4. Munroe – Alvaro, Ceci, Luz, Margarita
  - Norma will talk with other members of the safety committee who weren't at the meeting to see which alleys they would like to work on
- Next steps – Norma and Reyna will organize the groups so that the specific alleys around the school can be identified and outreach can start taking place in the homes around those alleys to invite people to participate and see what they would like in the alleys
- Next meeting – we will join the built environment meeting on Wed Mar 20 @ 9:00 am
